

I Have Lost My Friend

Bill Carmigani, Will Smee

F C Dm Dm7/C
I have lost my friend
Bb F C
And it still hurts inside
F C/E Dm Am
I'm trying to be strong but I
Bb C F
Would rather go and hide

F C Dm Dm7/C
I know just what I'd say
Bb F C
To comfort those in pain
F C/E Dm Am
But still I fight myself and lose
Bb C F
For I have lost my friend

F C Dm Dm7/C
I've known you as myself
Bb F C
Through good times and in bad
F C/E Dm Am
I laugh out loud when I think back
Bb C F
To something you have said

F C Dm Dm7/C
You poke a little fun
Bb F C
At something we have done
F C/E Dm Am
Some silly joke amongst our folk
Bb C F
True friend unto the end

F C Dm Dm7/C
We miss you and we mourn
Bb F C
We sorrow and we cry
F C/E Dm Am
We know you're in a better place
Bb C F
My friend I just can't lie

F C Dm Dm7/C
I know someday I'll see
Bb F C
You in His loving arms
F C/E Dm Am
There's no one I can blame my friend
Bb C F
For now I'll say good-bye.

F C Dm Dm7/C
When I shall see his face
Bb F C
Then I shall know as I
F C/E Dm Am
Am known and I will see my friend
Bb C F
Forever until then

F C Dm Dm7/C
I know someday I'll see
Bb F C
You in His loving arms
F C/E Dm Am
There's no one I can blame my friend
Bb C F
For now I'll say good-bye.

F C Dm Dm7/C
When I shall see his face
Bb F C
Bright shining as the sun
F C/E Dm Am
Then I shall see my friend again
Bb C F Dm
Forever until then
Bb C F
Forever until then
