

Lord I Believe

Mark 9: 24

Will Smee

E

Lord I believe please help my unbelief

A

I would be strong but Lord sometimes I'm weak

B

I see my son get thrown into the fire

E

Since he was young to heal is my desire

F#m

I roll my eyes and look up to the heavens

A

Lord please come down or else this thing will kill
him

B

Lord if you can please heal him now I pray

E

Lord help me please I don't know any other way

E

It's not for shame but so you may believe

A

I see your pain I want you to receive

B

You can believe in Me and trust My word

E

I am the one of whom you may have heard

F#m

I came to save the helpless and the sinner

A

Those who are bound set free and loose the prisoner

B

I came to heal not take your life away

E

To give you power to celebrate it every day

E

You can believe it's not that hard you see

A

You just receive and put your trust in Me

B

My word is true a place that you can hide

E

I am the one in whom you can confide

F#m

I know your life is full of many troubles

A

At times it seems there's nothing there but rubble

B

But in the midst a flower seems to say

E

I give you hope if only you will choose My way
