

Lord I Believe

Mark 9: 24

Will Smee

Capo2

D

Lord I believe please help my unbelief

G

I would be strong but Lord sometimes I'm weak

A

I see my son get thrown into the fire

D

Since he was young to heal is my desire

Em

I roll my eyes and look up to the heavens

G

Lord please come down or else this thing will kill him

A

Lord if you can please heal him now I pray

D

Lord help me please I don't know any other way

D

It's not for shame but so you may believe

G

I see your pain I want you to receive

A

You can believe in Me and trust My word

D

I am the one of whom you may have heard

Em

I came to save the helpless and the sinner

G

Those who are bound set free and loose the prisoner

A

I came to heal not take your life away

D

To give you power to celebrate it every day

D

You can believe it's not that hard you see

G

You just receive and put your trust in Me

A

My word is true a place that you can hide

D

I am the one in whom you can confide

Em

I know your life is full of many troubles

G

At times it seems there's nothing there but rubble

A

But in the midst a flower seems to say

D

I give you hope if only you will choose My way
