

JUST ENOUGH

For a few years during my father's lengthy ministry, he was a traveling Evangelist. I remember one time in particular , we ran out of money for gas or food. It was a Wednesday night, we were going through a small town. Dad said, "Let's find a church and go to service." So we found a Full Gospel Church. We walked in and sat toward the back.

The Pastor came and shook our hands and asked who we were. Dad said, "we were on our way to another town to hold meetings" He asked if Dad would preach for the service. So, he did. When he got done the Pastor said the Lord had told him that we needed money. So he took up an offering. It was just enough to get to the next place.

My God will richly fill your every need in a glorious way through Christ Jesus. Philippians 4:19
