

# I Have Lost My Friend

Bill Carmigani, Will Smee

Capo3

D A Bm Bm/A

I have lost my friend

G D A

And it still hurts inside

D A/C# Bm F#m

I'm trying to be strong but I

G A D

Would rather go and hide

D A Bm Bm/A

I know just what I'd say

G D A

To comfort those in pain

D A/C# Bm F#m

But still I fight myself and lose

G A D

For I have lost my friend

D A Bm Bm/A

I've known you as myself

G D A

Through good times and in bad

D A/C# Bm F#m

I laugh out loud when I think back

G A D

To something you have said

D A Bm Bm/A

You poke a little fun

G D A

At something we have done

D A/C# Bm F#m

Some silly joke amongst our folk

G A D

True friend unto the end

D A Bm Bm/A

We miss you and we mourn

G D A

We sorrow and we cry

D A/C# Bm F#m

We know you're in a better place

G A D

My friend I just can't lie

D A Bm Bm/A

I know someday I'll see

G D A

You in His loving arms

D A/C# Bm F#m

There's no one I can blame my friend

G A D

For now I'll say good-bye.

D A Bm Bm/A

When I shall see his face

G D A

Then I shall know as I

D A/C# Bm F#m

Am known and I will see my friend

G A D

Forever until then

D A Bm Bm/A

I know someday I'll see

G D A

You in His loving arms

D A/C# Bm F#m

There's no one I can blame my friend

G A D

For now I'll say good-bye.

D A Bm Bm/A

When I shall see his face

G D A

Bright shining as the sun

D A/C# Bm F#m

Then I shall see my friend again

G A D Bm

Forever until then

G A D

Forever until then
